

2026–2027 Parent Information Guide

Volitude Volleyball | Girls club season, team options, travel, uniforms, coaches, and practice schedules

Welcome to the season! This guide brings the most important club information into one place so your family can understand the available team experiences, costs, schedules, travel expectations, and next steps.

1. Getting Started

Volitude will use PlayMetrics as the primary platform for registration, team placement, calendars, practice and tournament details, parent/player group chats, and club payments. Once your athlete is placed, please make sure all participating parents or guardians have access and keep notifications enabled.

- Complete all requested registration and payment information in PlayMetrics.
- Review your team calendar regularly and communicate conflicts as early as possible.
- Use the team communication channel for routine questions and updates.
- Keep contact information current so you do not miss schedule, travel, or tournament announcements.

2. Club Leadership and Support

Josh Nehls — Growth Lead

Josh will work across multiple teams rather than coaching only one roster. This allows him to support coaches, attend practices throughout the club, and help improve the overall experience for players and families.

McKay Smith — Director of Volleyball

McKay, Associate Head Coach for Long Beach State Men's Volleyball, will lead the club's volleyball standards, coach development, and program consistency through practice visits and ongoing coach support.

Administrative Support

The administrative team will coordinate tournament registration, roster updates, event check-ins, coach travel, hotel-block information, and club-wide event communication.

Additional Club Director

Volitude will also be adding another director to provide additional leadership, availability, and support for players, families, and coaches throughout the club.

3. Girls Team Experience Options

Athletes will be offered a team based on their tryout evaluation. Families may choose a lower-commitment option—Traditional instead of Elite, or Club Lite instead of Elite/Traditional—subject to roster availability.

Program	Price	Payment Plan	Practice Commitment	Tournament Commitment
Elite	\$5,355	7 × \$765	3 × 2-hour practices weekly; 2 one-hour strength sessions before weekday practices	All SCSN events, optional events, Coastal Combine, Summer Soiree goal, and 4 National Qualifiers (3 expected out of state; 1 in Anaheim)
Traditional	\$4,200	7 × \$600	2 × 2-hour practices weekly	All SCSN events, optional events, Coastal Combine, Summer Soiree goal, and Red Rock Rave
Club Lite	\$2,500	7 × \$357.14	1 × 2-hour practice weekly	All SCSN events and optional events; no Coastal Combine; Summer Soiree in Anaheim

4. Tournament and Travel Information

- SCSN/USAV controls event dates and formats. Dates may change; Volitude will communicate updates as soon as they are released.
- Open and Club divisions appear separately on the SCSN calendar. A team's division will be determined by its placement at the entry event. We anticipate most teams will compete in Club; 18s has only an Open division.
- Our goal is for all teams to participate in the Summer Soiree. Exact June 2027 dates are not yet posted. If it conflicts with the TBD USAV Club Championship, the club will select the best event once complete information is available.
- For included National Qualifiers, tournament fees and coach expenses are built into club tuition; families will not receive separate tournament invoices for those events.
- The club will reserve hotel blocks when required. Families are responsible for booking and paying for their own hotel and travel.

5. Uniforms and Player Equipment

- Club fees include two jerseys.
- Additional player and parent gear will be available through an online store. Families may reuse eligible gear from a previous season or purchase only what they need.
- Each athlete will receive a volleyball and must bring it to practices and tournaments. Players should personalize or clearly label their ball.
- Players may purchase their own shoes; shoes must be Nike because of the club partnership.
